

Service Request: Homeowner

The screenshot shows the townsq homeowner interface. On the left is a navigation sidebar with categories: COMMUNICATIONS (Home, Residents, News & Events, Requests, Messages, Forum, Polls), OPERATIONS (Package control, Access Control, Access Control, Authorizations), and TOOLS (Reservations, Documents). The 'Requests' item is highlighted with a red box. A green callout box with the number '1' and the text 'Select Requests' points to this item. The main content area shows the townsq logo, user profile for George Cooper, and a search bar. Below are sections for 'Your Community' with various polls and assignments, and a 'Mailbox' section with items like 'Dog Park' and 'Cluhouse'.

1 Select Requests

Service Request: Homeowner

The screenshot shows the townsq web interface. At the top left is the townsq logo. At the top right, the user profile for John Doe (Hillwood Demonstration) is displayed. On the left side, there is a navigation menu with 'Categories' and 'Filter By' sections. The main content area is titled 'Requests/ Pending' and contains a search bar, a list of request topics, and a table of requests. A red box highlights the 'Open request' button, and a green callout box with the number '2' points to it with the text 'Click Open request'.

Service Request: Homeowner

The screenshot shows the townsq web application interface. At the top right, the user is identified as John Doe, Hillwood Demonstration. A green confirmation banner at the top right states "Request created successfully! :)", with a callout box pointing to it that says "Confirmation that request was created." Below this is a search bar and a table of requests. The table has columns for TOPICS, OPENED BY, UPDATED ON, and CATEGORY. The requests listed are: Street Light Out (opened by Lisa BoardMember), Car Request (opened by John Doe), Lights out on Main street (opened by Mike Smith), and water leak (opened by Barbara Jacobs). A green "Open request" button is visible on the right side of the interface.
